"When you move to a new area you can be apprehensive about choosing a new dentist. However, after my initial exam with Dr. Higham I wasn't worried anymore. I received a complete analysis of my dental health. This plan has resulted in a remarkable change in my appearance. When I look at my smile now I am truly amazed at how natural AND healthy my appearance has become. This husband-and-wife team of dentist are caring and at the top of their field. I think I actually look forward to my visits!"
